Licence

The same terms as the usage and licence page at upkeeppapers.com.

Short version: print it, copy it, use it at work, give it to whoever needs it. Do not sell it.

This binder is free from upkeeppapers.com, on the same terms as every sheet on the site.

YOU MAY

- print as many copies as you like, for as long as you like;
- use it commercially: in a workshop, a garage, a letting business, a holiday let or a smallholding, without asking and without owing us anything;
- photocopy sheets and hand them to staff, tenants or contractors;
- fill it in, save it and store it however you want. What you write in it is yours;
- give the file to anyone who wants it, or better, send them the link, so they get the current version.

YOU MAY NOT

- sell it, or include it, changed or unchanged, in anything you charge for;
- upload it to a download site, a template marketplace, or anywhere that puts it behind a sign-up or a paywall;
- present it as your own work, or remove the footer and republish it.

NO WARRANTY

These are blank forms. They are designed with care, but they are not certified or approved by anybody, and they are not a substitute for what your manufacturer, insurer or local rules require.

UPDATES

If we correct a file, the current version is on the binder's page at upkeeppapers.com.
