

Chimney Sweep and Stove Record

Keep the certificate index that home insurers ask for after a chimney fire, and track flue condition over time.

Sweeping and inspection record for a chimney, flue, stove or open fire — the certificate index your insurer will ask for after a chimney fire.

THE CERTIFICATE IS THE EVIDENCE

Keep the sweep's certificate with this sheet. Many home insurance policies require evidence of regular sweeping for a solid fuel appliance, and the certificate is the evidence — this page just tells you where it is and when the next one is due.

Property	Appliance	Fuel
Stove make & model	Flue type	Installed

Date	Sweep / company	Flue condition	Certificate no.	Next due	Cost
