

Kit Issue Record

Track playing kit by number through a season so what has not come back is a question with an answer.

Playing kit issued to members: what, what size, what number, and whether it was returned at the end of the season.

RECORD THE NUMBER, NOT JUST THE SIZE
Numbered kit is worth recording by number. At the end of a season the shirt that is missing is always the one nobody wrote down.

Club or team		Season		Kit manager		Deposit taken		
Name	Item	Size	Shirt number	Issued on	Signature	Returned on	Condition	Deposit returned

Items not returned at end of season
