

League Table Sheet

Keep a league table up to date on paper, on a wall, where the people playing in it can see it.

A blank league table with the columns you choose, kept up to date on paper where everyone can see it.

YOUR POINTS SYSTEM

Points systems differ by sport and by league, so nothing is printed here. Write your own column headings — the table does the rest.

League or competition			Season				Updated to			Kept by	
Pos	Team	P	W	D	L	For	Against	Diff	Pts	Notes — deductions, games in hand	

Fixtures still to play
