

Stable and Yard Cleaning Rota

Settle who was supposed to do what, and show quickly when one person is carrying more than their share.

Who mucks out which box, who does the yard, and who did it when somebody says nobody did.

A SIGNATURE COLUMN SETTLES IT

Most yard arguments are about who was supposed to do what. A rota on the wall with a signature column settles them, and it also shows quickly when one person is doing more than their share.

Yard	Week beginning				Set by
